

**TERREBONNE PARISH
COASTAL ZONE ADVISORY COMMITTEE
MITIGATION PROJECTS**

1/15/03

Proposed Project Location:

Bayou Dulac Shoreline Protection, D-Boudreaux Unit

T19S-R17E, Section 87

T20S-R17E, Sections 37, 2, 1

Problem:

Bank Erosion – Vanishing Marsh

Note: From Bayou Dulac Bridge to Lake Quitman, eroded bank line.
Closure needed to abandoned drilling slips and oilfield canals
along route.

System Needs:

- 1) Shoreline protection
- 2) Closure of man-made canals and oilfield location slips

Submitted By: Cyrus J. Theriot, Jr.
